

2023 OSIA LEAD Council Annual Banquet and Awards Ceremony

OSIA LEAD Council – 2023 – Another show season now in the books!

Well, another successful show season is in the books, and the memories will always stay with us. Thanks to all the youth and adults that made 2023 such a tremendous success.

Again, in 2023 both market lamb and breeding sheep youth were recognized at the OSIA LEAD Council Annual Banquet and Awards Ceremony with another large attendance to honor our youth. Special thanks to Kalahari Convention and Resorts of Sandusky, OH for hosting the large attendance at this special event.

After a delicious meal, over 100 youth involved in the OSIA LEAD Council programs received a whole gambit of wonderful awards for their achievements during the 2023-year including showmanship awards, breed class awards, breeding sheep awards, show manager awards, and adult All-Star recognition.

The OSIA LEAD Council once again looks forward to another big growth year in 2024.
