

2025 OSIA LEAD Council Annual Banquet and Awards Ceremony

OSIA LEAD Council – 2025 – Another wonderful and successful show season now in the books!

Well, another successful show season is in the books, and the memories will always stay with us. Thanks to all the youth and adults that made 2025 such a tremendous success.

Again, in 2025 both market lamb and breeding sheep youth were recognized at the OSIA LEAD Council Annual Banquet and Awards Ceremony with another large attendance to honor our youth. Special thanks to RES Auction Services of Wooster, OH for hosting a large attendance at this special event.

After a wonderful meal, many youth involved in the OSIA LEAD Council programs received a whole gambit of wonderful awards for their achievements during the 2025-year including showmanship awards, breed class awards, breeding sheep awards, show manager awards, and adult All-Star recognition.

The OSIA LEAD Council once again looks forward to another big growth year in 2026.
